

If your players have not provided you with a decent sized stack at the start of the game, use some of these pre-filled out cards. It's just not noir without odd red herring suspects and social drama.

Keeton	Dr. Mr. The Lang	Chainsaw Aadrvark
Level 5 artificail intelligence	Level 3 cyberdoc	Level 4 boostergang boss
Aspects <ul style="list-style-type: none">•Game Theory•Inscrutable•Curious•Texas Instruments	Aspects <ul style="list-style-type: none">•“Sure I can attach that to you.”•“That didn’t happen the way I imagined it would.”•“That should work now.” <p>If this card comes up, the PCs meet the doctor or the next person drawn has some new cyberwear only he would instal.</p>	Aspects <ul style="list-style-type: none">•Tough•Mean•Hippy (Jewish) parents <p>Edges: Metal (right arm), Metal (chainsaw built into forearm), Folk (Boostergang [level 1]: +1 to help in fights, Aspect: excentric)</p>
